## Oscilloscopes

### New DS8000-R Rack Mountable Oscilloscopes

| Model    | Description                                                  | List Price |
|----------|--------------------------------------------------------------|------------|
| DS8204-R | 2 GHz, 10 GSa/s, 500 Mpts, 4CH compact digital oscilloscope  | € 12.489   |
| DS8104-R | 1 GHz, 10 GSa/s, 500 Mpts, 4CH compact digital oscilloscope  | € 8.850    |
| DS8034-R | 350 MHz, 5 GSa/s, 500 Mpts, 4CH compact digital oscilloscope | € 2.851    |

### DS8000-R Options

|                 |                                                                                                                                                                    |         |
|-----------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------|
| DS8000-R-AWG    | 25 MHz arbitrary waveform generator                                                                                                                                | € 619   |
| DS8000-R-PWR    | Built-in power analysis (required to purchase the RPA246 phase deviation correction jig)                                                                           | € 884   |
| RPA246          | Power analysis phase difference correction jig                                                                                                                     | € 48    |
| DS8000-R-JITTER | Real-time eye diagram and jitter analysis (option, only available for DS8104-R and DS8204-R)                                                                       | € 884   |
| DS8000-R-COMP   | PC serial bus trigger and analysis (RS232/UART)                                                                                                                    | € 884   |
| DS8000-R-EMBD   | Embedded serial bus trigger and analysis (I2C, SPI)                                                                                                                | € 884   |
| DS8000-R-AUTO   | Auto serial bus trigger and analysis (CAN, LIN)                                                                                                                    | € 884   |
| DS8000-R-FLEX   | FlexRay serial bus trigger and analysis (FlexRay)                                                                                                                  | € 884   |
| DS8000-R-AUDIO  | Audio serial bus trigger and analysis (I2S)                                                                                                                        | € 884   |
| DS8000-R-AERO   | MIL-STD-1553 serial bus trigger and analysis (MIL-STD-1553)                                                                                                        | € 884   |
| DS8000-R-BND    | B undle option, including DS8000-R-COMP, DS8000-R-EMBD, DS8000-RAUTO, DS8000-R-FLEX, DS8000-R-AUDIO, DS8000-R-AERO, DS8000-R-AWG, DS8000-R-JITTER and DS8000-R-PWR | € 1.966 |
| DS8000-R HSDC   | High-speed data communication option (10 GE Communication Option)                                                                                                  | € 619   |
| DS SYNC64       | 64CH synchronization module                                                                                                                                        | € 7.867 |
| PRSC42          | 2-way power splitter (DC to 4 GHz)                                                                                                                                 | € 93    |

### MSO8000 series Mixed Signal Oscilloscopes

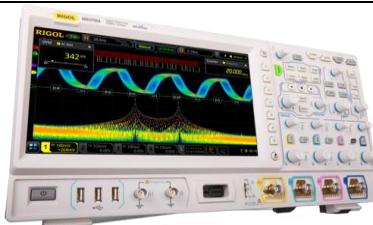

|                                       |                                                                                                                                                                    |            |
|---------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|
| Promotion valid to 30 September 2021* | MSO8000-BND Bundle included: Serial Decode, Dual Channel 25 MHz Generator, Built-in Power Analysis, Real time Eye and Jitter Analysis. 1 and 2 GHz Price Promotion |            |
| Model                                 | Description                                                                                                                                                        | List Price |
| MSO8204                               | 2 GHz MSO, 4+16 Ch, 10 GSa/s, 500 Mpts, 600.000 wfs/s, 10.1 Inch capacitive multi-touch screen                                                                     | € 8.841    |
| MSO8104                               | 1 GHz MSO, 4+16 Ch, 10 GSa/s, 500 Mpts, 600.000 wfs/s, 10.1 Inch capacitive multi-touch screen                                                                     | € 7.956    |
| MSO8064                               | 600 MHz MSO, 4+16 Ch, 10 GSa/s, 500 Mpts, 600.000 wfs/s, 10.1 Inch capacitive multi-touch screen                                                                   | € 7.080    |

### MSO8000 options

|                 |                                                                                                                                                        |         |
|-----------------|--------------------------------------------------------------------------------------------------------------------------------------------------------|---------|
| MSO8000-BW6T10  | Bandwidth upgrades from 600 MHz to 1 GHz - Field Upgradable                                                                                            | € 2.261 |
| MSO8000-BW6T20  | Bandwidth upgrades from 600 MHz to 2 GHz - Field Upgradable                                                                                            | € 5.211 |
| MSO8000-BW10T20 | Bandwidth upgrades from 1 GHz to 2 GHz - Field Upgradable                                                                                              | € 3.244 |
| RPL2316         | 16-channel logic analyzer probe                                                                                                                        | € 363   |
| MSO8000-COMP    | RS232/UART Protocol Trigger and Analysis                                                                                                               | € 884   |
| MSO8000-EMBD    | I2C and SPI Protocol Trigger and Analysis                                                                                                              | € 884   |
| MSO8000-AUTO    | CAN and LIN Protocol Trigger and Analysis                                                                                                              | € 884   |
| MSO8000-FLEX    | FlexRay Protocol Trigger and Analysis                                                                                                                  | € 884   |
| MSO8000-AUDIO   | I2S Protocol Trigger and Analysis                                                                                                                      | € 884   |
| MSO8000-AERO    | MIL-STD-1553 Protocol Trigger and Analysis                                                                                                             | € 884   |
| MSO8000-AWG     | Dual Channel 25 MHz Generator                                                                                                                          | € 619   |
| MSO8000-PWR     | Built-in power analysis (requires RPA246 phase deviation correction jig)                                                                               | € 884   |
| MSO8000-JITTER  | Real-time eye diagram and jitter analysis                                                                                                              | € 884   |
| MSO8000-BND*    | Bundle option, including MSO8000-COMP, MSO8000-EMBD, MSO8000-AUTO, MSO8000-FLEX, MSO8000-AUDIO, MSO8000-AERO, MSO8000-AWG, MSO8000-JITTER, MSO8000-PWR | € 0     |
| RM6041          | Rack mount kit                                                                                                                                         | € 251   |
| USB-GPIB        | USB-GPIB interface converter                                                                                                                           | € 314   |

| DSA Utility Kit     | DSA Accessories Package: N-SMA-Cable, BNC-BNC Cable, N-BNC Adapter, N-SMA Adapter, 75 Ohm-50 Ohm Adapter, 2 x Antenna (900MHz/1.8 GHz), 2 x Antenna (2.4 GHz)                                                                         | € 644 |
| VB1032              | VSWR Bridge 1 MHz - 3.2 GHz, includes DSA800-VSWR option - DSA800-TG models only                                                                                                                                                      | € 546 |
| VB1040              | VSWR Bridge 800 MHz - 4 GHz, includes DSA800-VSWR option - DSA800-TG models only                                                                                                                                                      | € 782 |
| VB1080              | VSWR Bridge 2 GHz - 8 GHz, includes DSA800-VSWR option - DSA800-TG models only                                                                                                                                                        | € 638 |
| RF Adaptor Kit      | includes: 1x N(F)-N(F) Adapter, 1x N(M)-N(M) Adaptor, 2x N(M)-SMA(F) Adaptor, 2x N(M)-BNC(F) Adaptor, 1x SMA(F)-SMA(F) Adaptor, 1x SMA(M)-SMA(M) Adaptor, 1x BNC T Type Adaptor, 1x 50 Ohm SMA Load, 1x 50 Ohm BNC Impedance Adaptor. | € 274 |
| RF Attenuator Kit   | Includes 1x 6dB Attenuator, 1x 10dB Attenuator                                                                                                                                                                                        | € 461 |
| RF CATV kit         | Includes 2x 50 Ohm to 75 Ohm Adaptor                                                                                                                                                                                                  | € 373 |
| ATT03301H           | 30 dB High Power Attenuator, Max Power 100 Watt                                                                                                                                                                                       | € 206 |
| CB-NM-NM-75-L-12G   | N(M)-N(M) RF Cable, 75 cm                                                                                                                                                                                                             | € 176 |
| CB-NM-SMAM-75-L-12G | N(M)-SMA(M) RF Cable, 75 cm                                                                                                                                                                                                           | € 176 |
| RX1000              | RF Demo Kit (Receiver)                                                                                                                                                                                                                | € 884 |
| TX1000              | RF Demo Kit (Transmitter)                                                                                                                                                                                                             | € 884 |
| NFP-3               | Near Field Probe Set, Frequency range: 30 MHz - 3 GHz                                                                                                                                                                                 | € 461 |

## Digital Multimeters

### DM3000 series Digital Multimeters

| Promotion valid to 30 September 2021 | Promotional Price on DM30XX series                                                        |            |
|--------------------------------------|-------------------------------------------------------------------------------------------|------------|
| Model                                | Description                                                                               | List price |
| DM3068                               | 6 ½ DMM (2,200,000 Count), 0.0035% DC Voltage Accuracy, 10 krdgs/s, USB, GPIB, RS232, LAN | € 589      |
| DM3058                               | 5 ½ DMM (240,000 Count), 0.015% DC Voltage Accuracy, 123 rdgs/s, USB, RS232, GPIB, LAN    | € 491      |
| DM3058E                              | 5 ½ DMM (240,000 Count), 0.015% DC Voltage Accuracy, 123 rdgs/s, USB, RS232               | € 363      |
| <b>DM3000 series options</b>         |                                                                                           |            |
| RM-DG                                | Rack mount kit for DG1022, DG1022A, and DM3000 family                                     | € 156      |
| LD-DM                                | DMM Test Lead                                                                             | € 25       |
| Ultraview                            | Datalogging software for the DM3058 or DM3058E.                                           | € 206      |

## Data Acquisition

### M300 series Data Acquisition / Switch System

| Model                   | Description                                                                                      | List price |
|-------------------------|--------------------------------------------------------------------------------------------------|------------|
| M300                    | Mainframe                                                                                        | € 884      |
| M301                    | Mainframe (including 6.5 DMM)                                                                    | € 1.274    |
| M302                    | Package including M301 plus MC3120 (20 channel 2-wire) switch card and M3TB20 (connection board) | € 1.559    |
| MC3065                  | DMM Module                                                                                       | € 471      |
| MC3120                  | 20-Channel Multiplexer                                                                           | € 324      |
| MC3132                  | 32-Channel Multiplexer                                                                           | € 392      |
| MC3164                  | 64-Channel Single-Ended Multiplexer                                                              | € 412      |
| MC3324                  | 24-Channel Multiplexer                                                                           | € 481      |
| MC3416                  | 16-Channel Actuator                                                                              | € 353      |
| MC3534                  | Multifunction module                                                                             | € 540      |
| MC3648                  | 4x8 Matrix Switch                                                                                | € 442      |
| M3TB20                  | Terminal Box for MC3120                                                                          | € 69       |
| M3TB32                  | Terminal Box for MC3132                                                                          | € 69       |
| M3TB64                  | Terminal Box for MC3164                                                                          | € 69       |
| M3TB24                  | Terminal Box for MC3324                                                                          | € 69       |
| M3TB16                  | Terminal Box for MC3416                                                                          | € 69       |
| M3TB34                  | Terminal Box for MC3534                                                                          | € 69       |
| M3TB48                  | Terminal Box for MC3648                                                                          | € 69       |
| <b>M300 Accessories</b> |                                                                                                  |            |
| Ultra Acquire Pro       | M300 Configuration Software with advanced data analysis features                                 | € 684      |
| M3A2B                   | Analog Bus to Banana connect                                                                     | € 19       |
| RM-1-M300               | Rack Mount Kit - Single                                                                          | € 245      |
| RM-2-M300               | Rack Mount Kit - Dual                                                                            | € 274      |

## DC Power Supplies

### DP700 series Programmable Linear DC Power Supplies

| Model | Description                                          | List price |
|-------|------------------------------------------------------|------------|
| DP711 | Single Output 150 W; 30V/5A, 3.5-inch TFT-LCD, RS232 | € 290      |
| DP712 | Single Output 150 W; 50V/3A, 3.5-inch TFT-LCD, RS232 | € 290      |

### DP700 options

|               |                                              |      |
|---------------|----------------------------------------------|------|
| HIRES-DP700   | 1 mV & 1 mA High Resolution option           | € 58 |
| TRIGGER-DP700 | External trigger in and Internal trigger out | € 58 |
| TIMER-DP700   | Timer option                                 | € 58 |
| RM-1-DP700    | DP700 Rack Mount Kit - Single                | € 84 |
| RM-2-DP700    | DP700 Rack Mount Kit - Dual                  | € 78 |
| RM-3-DP700    | DP700 Rack Mount Kit - Triple                | € 78 |

### DP800 series Programmable Linear DC Power Supplies

| Model  | Description                                                                                         | List price |
|--------|-----------------------------------------------------------------------------------------------------|------------|
| DP811A | Dual Range, Single Output 200 W: 40V/5A, 20V/10A, 3.5 Inch TFT Display, USB, LAN LXI, RS232         | € 668      |
| DP811  | Dual Range, Single Output 200 W: 40V/5A, 20V/10A, 3.5 Inch TFT Display, USB only                    | € 540      |
| DP821A | Dual Output, 140 W, 60V/1A, 8V/10A, 3.5 Inch TFT Display, USB, LAN LXI, RS232                       | € 636      |
| DP821  | Dual Output, 140 W, 60V/1A, 8V/10A, 3.5 Inch TFT Display, USB only                                  | € 540      |
| DP831A | Triple output 160 W: +8V/5A, +/-30V/3A, 3.5 inch TFT display, USB Host&Device, LAN, RS232, Dig. I/O | € 581      |
| DP831  | Triple output 160 W: +8V/5A, +/-30V/3A, 3.5 inch TFT display, USB only                              | € 412      |
| DP832A | Triple output 195 W: +5V/3A, +/-30V/3A, 3.5 inch TFT display, USB Host&Device, LAN, RS232, Dig. I/O | € 589      |
| DP832  | Triple output 195 W: +5V/3A, +/-30V/3A, 3.5 inch TFT display, USB only                              | € 412      |

### DP800 options

|                 |                                                           |       |
|-----------------|-----------------------------------------------------------|-------|
| HIRES-DP800     | 1 mV & 1 mA High Resolution option - Standard on A models | € 88  |
| DIGITALIO-DP800 | 4 lines Trigger In & Out - Standard on A models           | € 88  |
| AFK-DP800       | On-line Monitoring and Analysis - Standard on A models    | € 88  |
